FOREWORD

August 2024

Kobelco Synergy Vol. 6

*Ganesh Subudhi*

Ganesh Subudhi
Business Director

Heartily welcome to be part of the new edition of KOBELCO SYNERGY.

It is a great privilege for KCMMEA team to connect with all our members of the KOBELCO extended family through SYNERGY. We are striving to increase our reach through new partnerships across territories. We are excited to see the response and interest in Kobelco Brand. Everyone's feedback and support will increase the visibility of True Blue Green Cranes & Excavators accross the Middle East & Africa. We aim to progress with dealer partners toward solution providers for our esteemed clients through various attachments on excavators. Stay tuned to our next editions for insights on attachments. On the behalf of KCMMEA, thank you all for making this journey memorable.

EXHIBITION

KOMATEK 2024

17th International Construction Machinery, Technology and Equipment Trade Exhibition

IFM - ISTANBUL EXPO CENTER, Istanbul, Türkiye

Hasel is the authorized distributor of Kobelco Excavator in Türkiye. They participated KOMATEK Exhibition this year at the IFM Istanbul Expo Center from May 29 to June 1, 2024. This event showcased the latest Kobelco models, including SK58, SK130, SK210, SK260, SK300, and SK350. The event objective was to introduce the new models to the market and increase Kobelco's presence in the region. This event marks an important opportunity for Kobelco to establish relationships with new clients and strengthen its position in the Turkish market. It was a successful event where they showcased Kobelco machinery with over 40,000 visitors.

17TH WAMPEX Exhibition

West African Mining & Power Expo

Accra International Conference Centre, Accra Ghana

PL International (PLI) is the authorized distributor of Kobelco Excavators in Ghana. PLI participated in the Exhibition at the Accra International Conference Centre from the 5th to 7th of June 2024, which was organized by the West African Mining & Power Expo Exhibition WAMPEX. The event's objective was to introduce the partnership of PLI and KOBELCO connecting with potential clients and contractors who are looking for brand-new, reliable, and quality excavators. More than 150 customers from the mining and construction industry visited the stall and shown positive response on KOBELCO brand.

Breaking Ground in Ghana: Introducing Our New Distributor for Kobelco Excavator.

PL International is now our official Partner in Ghana.

We are thrilled to announce that Kobelco Construction Machinery has appointed PL International as the official distributor in Ghana. This partnership marks a significant step towards expanding our presence in the region and providing top-quality construction machinery and services to customers in Ghana. We are excited to work closely with PL International and look forward to a successful collaboration.

Exciting News for Construction Industry in Tanzania.

Nazneen Material Handling Company Ltd is now the official distributor in Tanzania!

We are excited to announce our partnership with Nazneen Material Handling Company Ltd. as our new distributor for Kobelco Excavators in Tanzania. With their expertise and dedication to customer satisfaction, we are confident that Nazneen Material Handling Company will provide exceptional service and support to our valued customers in the region.

Kobelco Construction Machinery is committed to delivering high-quality Excavator machines that meet the needs of our customers. With Nazneen Material Handling Company Ltd. on board, we look forward to expanding our presence in Tanzania and providing top-of-the-line excavators to help you get the job done efficiently and effectively.

PRODUCT SUPPORT

Technical Training

SK300LC-11E Technical Training in Türkiye.

JUNE2024

KCMMEA Excavator Product Support department recently hosted a series of technical training sessions for SK300LC-11E in Türkiye, aimed at providing technicians with the knowledge and skills needed to operate and maintain the Kobelco excavator effectively. Participants in the training sessions had the opportunity to learn about the key features and specifications of the SK300LC-11E, including its engine performance, hydraulic system, and safety features. They also received hands-on training on operating the excavator safely and efficiently, as well as performing routine maintenance and troubleshooting tasks.

SK380XDL Technical Training Successfully conducted in Mauritius.

JUNE2024

Kobelco Excavator Product Support recently held technical training for the SK380XDL excavator in Mauritius. The training helped technicians learn how to perform the regular, maintenance and troubleshooting the advanced machine effectively. The excavator is known for its construction performance and durability. Participants learned about its features, operation & safety and received hands-on training. Certified trainers are guided to help them get the most out of the excavator. Attendees improved their skills and productivity.

SK850 Product Training

A Comprehensive Training Event By Excavator Product Support

In May 2024, Excavator Product Support conducted a comprehensive training event focused on the Kobelco SK850LC excavator model. The training session aimed to enhance participant's knowledge and expertise in utilizing the SK850LC's features, performance metrics and maintenance protocols. It was a three-day training with 8 participants.

The event provided attendees with valuable insights, hands-on exercises, and networking opportunities to maximize the potential of the SK850LC excavator in construction projects.

KOBELCO CRANE Training Program

The Kobelco Crane Training Program helps the operators and maintenance staff, learn how to use and take care of the Kobelco crane. The program includes classroom and hands-on training to educate them on safety, maintenance and troubleshooting. The goal is to improve skills and ensure the safe and effective operation of Kobelco cranes.
