FOREWORD

Kobelco Synergy Volume 9

August 2025

Welcome to the latest edition of KOBELCO SYNERGY.

Kishore Sarma
Kishore Sarma

Deputy Manager
Product Support Excavator

At KCMMEA, we firmly believe that sustainable growth is achieved through a balanced focus on sales, service excellence, parts support, and training, all guided by our unwavering commitment to customer success. As KOBELCO continues to expand its footprint across the Middle East & Africa, supported by strong dealer partnerships and a growing market presence, our approach integrates sales growth with operational reliability, comprehensive after-sales service, and ready parts availability.

As Deputy Manager (Product Support - Excavator) at KCMMEA, I am proud to share that we continue to invest in advanced technician training programs, ensuring our service teams deliver efficient, dependable, and high-quality support. Simultaneously, our operator training initiatives across the region empower customers to optimize machine performance, safety, and productivity, enhancing the value of their investment.

Through close collaboration with our dealer network, KCMMEA is dedicated to driving sales, strengthening service and parts support, and fostering professional development, reinforcing KOBELCO's position as the trusted provider of excavators and cranes.

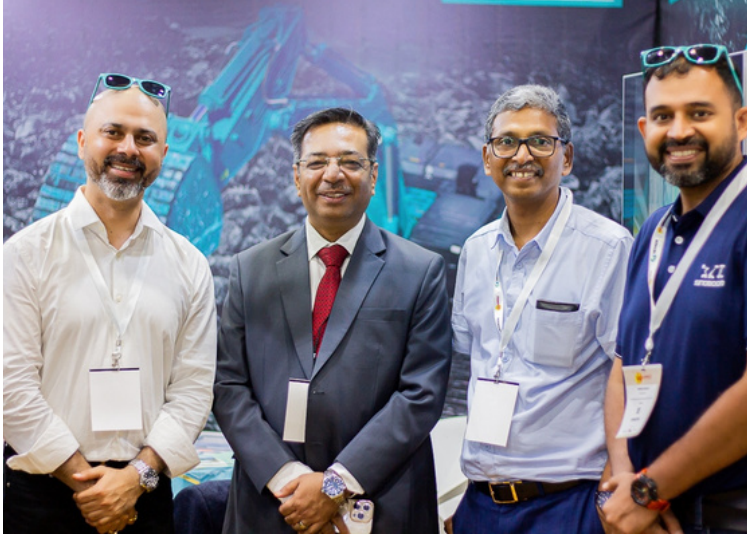

On behalf of KCMMEA, we extend our sincere gratitude to our partners and customers for their continued trust. Together, we will advance the sales, service excellence, parts availability, and lasting value throughout the Middle East & Africa.

West African Mining and Power Expo (WAMPEX): Leading Earth-Moving Innovation in West Africa

WAMPEX took place at the Grand Arena, Accra International Convention Centre in Ghana from May 28th to 30th, 2025. Attended by Mining and Power professionals from across West Africa to showcase the latest innovations in the industry.

Over 5,000 senior industry delegates and featured more than 150 local and international exhibitors. The event served as a vital platform for regional collaboration, fostering networking opportunities and knowledge sharing among industry leaders.

PL International staff and customer

PL International staff and customers

PL International showcases SK380XDLC Kobelco Excavator at the exhibition. The team at PL International was thrilled to receive a positive response from visitors at WAMPEX, who showed great interest and enthusiasm towards the Kobelco Excavators.

PL International staff and customers

Kobelco and PL International extended their thanks to all attendees and Kobelco excavator users for their overwhelming support and feedback. Kobelco and PL International continue to thrive, with the shared goal of driving growth and innovation in the construction/mining industry in Ghana.

SK380XDLC-10 on display

Group Photo

Overall, WAMPEX served as a premier event in West Africa for earth-moving innovation, bringing together industry professionals to explore the latest technologies and solutions driving the mining and power sectors forward.

EVENT

Al Marwan Heavy Equip & Machinery's Grand Opening of Spare Parts Showroom

Al Marwan Heavy Equipment & Machinery recently celebrated the grand opening of its new Spare Parts Showroom in Sharjah, UAE, on July 26th, 2025. The modern facility offers genuine spare parts and accessories for various construction equipment brands, including Kobelco. Showcasing the company's commitment to customer service and quality.

Open Ceremony

Mr. Obai (Al Marwan Parts Manager), Mr. Motaz (Al Marwan Director), Mr. Nezaki (KCMMEA Managing Director)

A tour of the showroom, where a wide range of spare parts and accessories were displayed. A unique collection of spare parts is showcased in stones and stands on the table. The innovative presentation added a touch of creativity to the event, capturing the attention of customers.

Merchandise Display

Parts Display

The creative display not only served as a visual spectacle but also demonstrated Al Marwan's attention to detail and commitment to providing high-quality construction equipment parts.

Parts Warehouse

The mini machines were displayed in a dedicated section of the showroom, allowing guests to get up close with the compact equipment. Mini machines are ideal for small-scale construction projects and tight job sites.

SK17SR on display

Guests enjoyed product displays and networking opportunities, highlighting Al Marwan's dedication to excellence in the construction industry.

Congratulations to Al Marwan Heavy Equipment & Machinery on this significant achievement!

CR-006 on display

AAA Certification Program for Excavator Service Technicians

Kobelco Construction Machinery Launches AAA Certification Program for Excavator Service Technicians. A training and evaluation process designed to ensure consistent, high-quality service worldwide. With a focus on enhancing skill levels in key areas such as overhauling, troubleshooting, inspection, and reporting.

The two candidates successfully passed the certification evaluation, demonstrating their proficiency in servicing Kobelco excavators.

*Training day**Assessment day*

A Successful CAN Communication Training at Al Marwan Heavy Equip & Machinery

KCMMEA recently conducted its first-ever Controller Area Network (CAN) Communication Training at Al Marwan Heavy Equip & Machinery, with total of 9 participants.

The session focused on equipping attendees with CAN fundamentals, communication protocols, and essential troubleshooting techniques.

TRAINING

Digging Deeper: Advanced Excavator Operations Training in Ghana.

KCMMEA Product Support - Excavator team conducted an Operator Training program in Kumasi, Ghana, organized by PLI. The event was attended by over 100 participants, including operators and customers.. The program included both theory sessions and practical classes, followed by lunch.

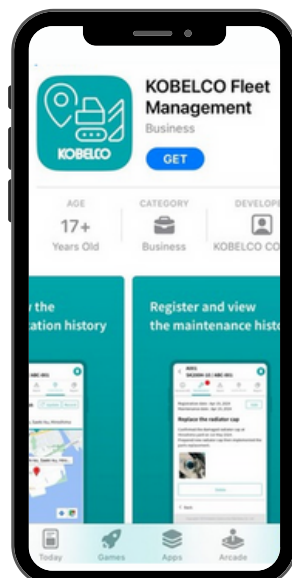

Group Photo

The main objective of the training was to enhance the operators' and customers' skills to handle the machines more effectively. Overall, it was an excellent and successful event.

Model: SK220XD-10

Al Marwan Heavy Machinery is now the official Kobelco Excavator dealer in Saudi Arabia.

Model: SK220XDLC-10

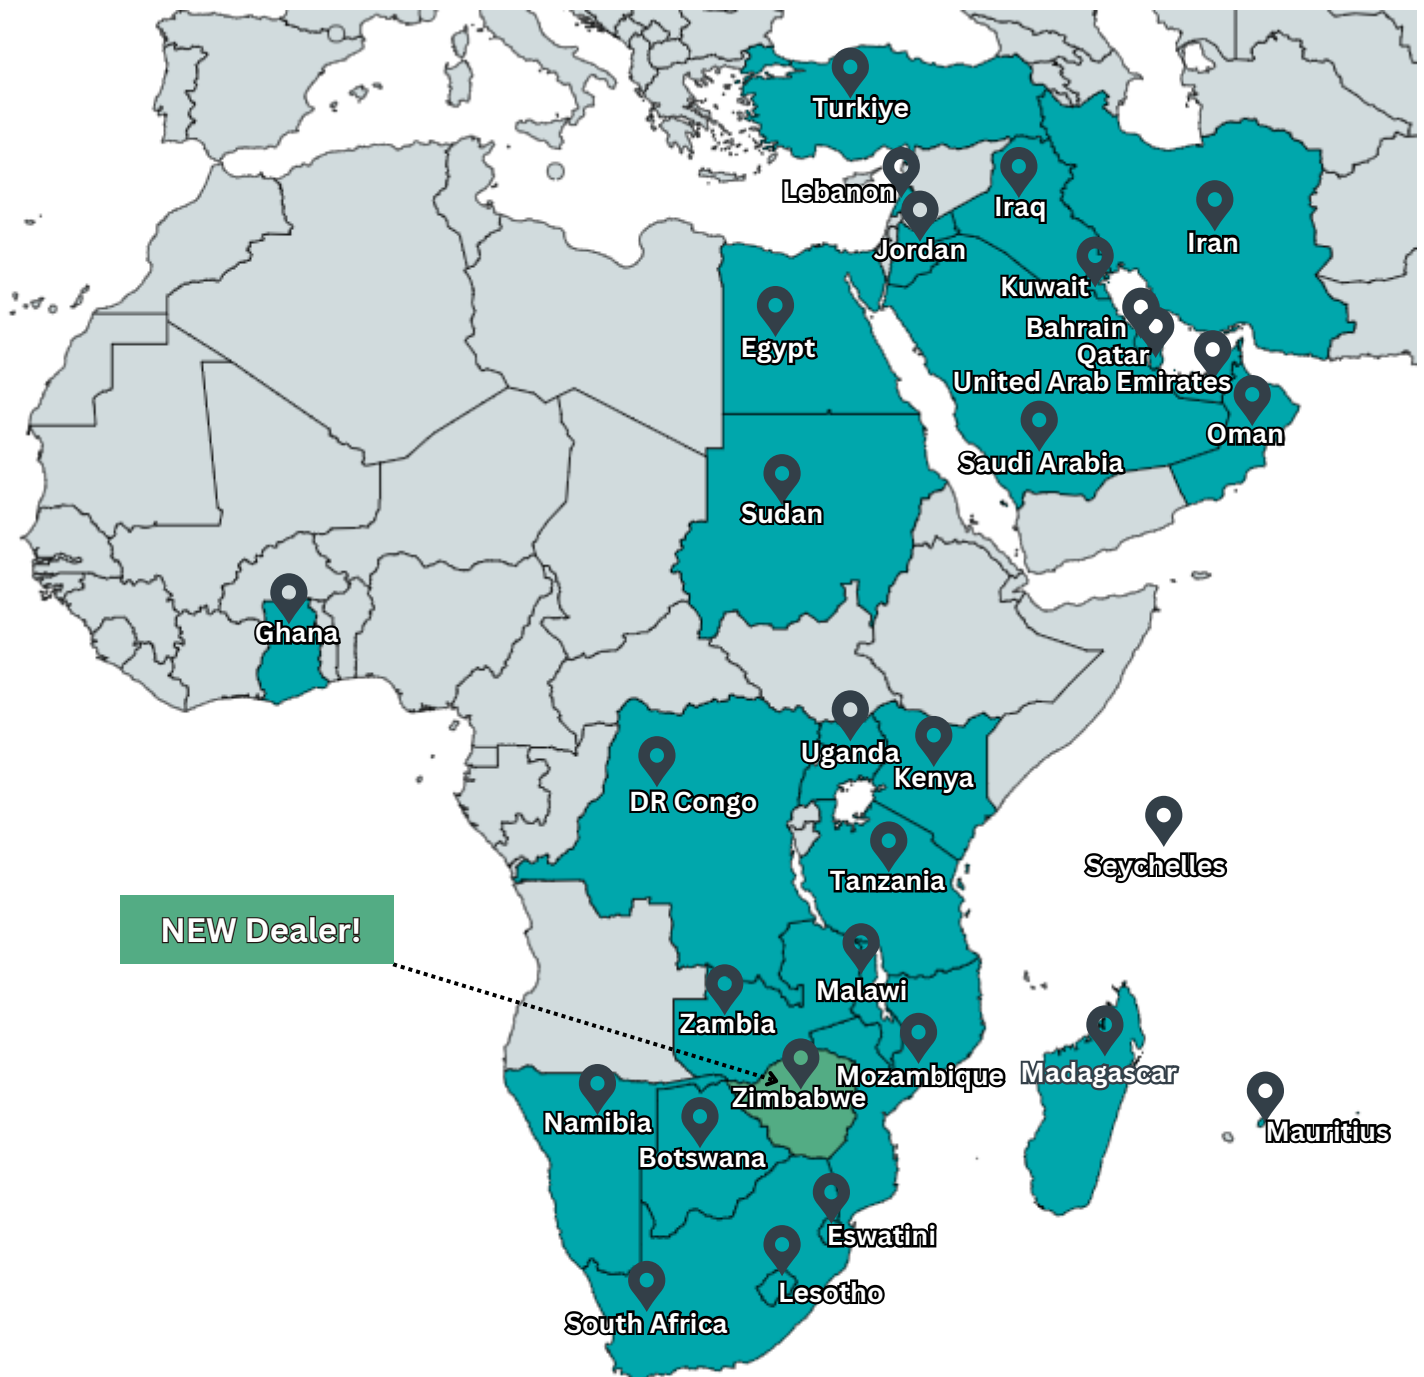

Al Marwan Heavy Machinery has been appointed as the official dealer for Kobelco Excavators in Saudi Arabia, following a successful partnership that began in the UAE in 2005 and expanded to Oman in 2022. Al Marwan's journey with Kobelco in Saudi Arabia started in 2024 when they became the exclusive crane dealer in the country. This new chapter as the official Kobelco Excavator dealer further strengthens the partnership to provide high-quality construction equipment and exceptional services to Saudi Arabian customers.
